QIN Xuezheng

2018-07-12

XUEZHENG QIN, Ph.D.

Xuezheng Qin is a professor and deputy dean in the School of Economics at Peking University. He earned his bachelor degree from Peking University (2002) and his Ph.D. in Economics from the State University of New York at Buffalo (2009). Dr. Qin's primary research interests include health economics, economics of human capital, and applied econometrics. He has published more than 50 academic papers in peer-reviewed journals such as *Journal of Comparative Economics*, *Health Economics*, *Health Policy and Planning*, *China Economic Review*, *Health Economics Policy and Law*, and *Geneva Papers on Risk and Insurance*. He is also the author of several books, including *Principles of Economics* (2014), *Applied Econometrics with Eviews and SAS Examples* (2016), and *Migrant Workers in China's New Health Insurance System* (2017). His research is funded by National Natural Science Foundation of China, Ministry of Education of China, International Development Research Centre (Canada), and others. Dr. Qin was a guest editor of *China Economic Review* and *Emerging Markets Finance and Trade*, and he also serves on the editorial board of *China Health Review* and as an external reviewer for many renowned academic journals. He is included in the *Beijing Higher Education Young Elite Teacher Project* and has gained other recognitions. In Peking University, Dr. Qin teaches Econometrics, Health Economics and Chinese Economic Transition; his teaching has won national awards in China's multimedia course competition.
